<h4 class="table-label">Cork, Ireland</h4>
Apple has been based in Cork for over 35 years. We now directly employ around 6,000 people throughout Ireland, supporting all aspects of the business. Since 2012, we’ve invested nearly €220 million to develop our Hollyhill campus and have just expanded again with a new building that provides space for 1,400 employees. Apple is Cork’s largest private employer and we are proud that many of the team have been with us for decades.
<h4 class="table-label">London, UK</h4>
London is home to over 2,500 employees and our expanding workforce will be housed in a new campus

at Battersea Power Station. The investment in one of the city’s most recognisable buildings is central to the long-term regeneration of this special 42-acre site on the River Thames.
<h4 class="table-label">Naples, Italy</h4>
The Apple Developer Academy trains hundreds of students each year in app development at a state-of-the-art centre at the University of Federico II. The one-year programme gives students the skills and experience to turn app ideas into reality. We are also working with five other universities in the region to bring developer skills and training to over a thousand additional students.
<h4 class="table-label">Jutland, Denmark</h4>
Our first-ever European data centres are bringing jobs and investment to Denmark. They will offer crucial data storage for our customers and run on 100 per cent renewable energy. We are also proud to be investing in local projects to secure new and additional sources of clean power.

Direct Apple employees as of May 2018.
Analysis Group analysed Apple’s impact on the European job market and economy by using information on the total amount Apple spent on goods and services in Europe in Fiscal Year 2017, and applying that information to Europe and country-specific Type-1 employment multipliers calculated based on data from the European Systems of Accounts (Eurostat) and national accounts. The chosen bill-of-goods approach relies on a detailed breakdown of Apple’s purchases from input suppliers. These numbers do not include any additional jobs that have resulted from the increased spending of individuals and households whose income is directly or indirectly tied to Apple’s direct manufacturing spend and investment.
App ecosystem jobs based on research by Dr Michael Mandel, Progressive Policy Institute, “The App Economy in Europe: Leading Countries and Cities”, April 2018.

We work with trade-in partners who give you an estimated value based on the device information you provide. If you accept the quote, our partner will send you shipping materials (at no cost to you), and you can send in your device.\nOur partner will inspect your device, and if it is in the condition stated, you’ll receive an Apple Gift Card for the quoted amount. If the device is not in the stated condition, our partner will send you a new quote. You can either accept the new quote or have your device sent back (at no cost to you)."}},{"@type":"Question","name":"Does Apple offer recycling?","acceptedAnswer":{"@type":"Answer","text":"Yes. Apple lets you recycle any Apple device and devices from Apple owned brands at any Apple Store. We’ll make sure it’s recycled responsibly or given a chance to be used again. Some devices may also be eligible for credit. You can bring your batteries and old Apple-products to any Apple Store, and we’ll recycle them responsibly, free of charge. We accept any small product or battery without purchase of a new product or battery. Visit www.apple.com/trade-in (opens in new window) for more information about our recycling services. You can bring devices of other brands on a like-for-like basis and we’ll recycle them too."}},{"@type":"Question","name":"What happens to my device once I trade it in or recycle it?","acceptedAnswer":{"@type":"Answer","text":"When we receive your device, our partners will inspect it thoroughly. If it’s not in working order, it will be recycled in an environmentally responsible way through one of our partners."}},{"@type":"Question","name":"How long does the online trade-in process take?","acceptedAnswer":{"@type":"Answer","text":"Generally it takes 2–3 weeks. If it’s in the condition described, you will receive the quoted value in the form of an Apple Gift Card. If it’s not in the condition described, a new quote will be sent to you. There are important materials in old equipment which are recycled separately in a certain way. These raw materials can be used as new material. Some electronic equipment may contain potentially harmful substances which must be disposed of carefully. Apple bears responsibility for the environment and is a member of the recycling programme, just like many other major electrical appliance manufacturers in the UK. Disposal Information \nThe symbol means that according to local laws and regulations, your product and/or its battery should be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For information about Apple’s recycling programme, recycling collection points, restricted substances and other environmental initiatives, visit www.apple.com/uk/environment/."}},{"@type":"Question","name":"If I buy a new device online and add a trade-in, what kind of refund will I get?","acceptedAnswer":{"@type":"Answer","text":"It depends on what you buy and how you pay for it. Can I dispose of old electrical appliances together with household waste?

</h3>

No. Old appliances, batteries, as well as all the products which are marked with a cross on top of a rubbish bin with wheels must be collected and recycled separately. There are important materials in old equipment which are recycled separately in a certain way. These raw materials can be used as new material. Some electronic equipment may contain potentially harmful substances which must be disposed of carefully. Apple bears responsibility for the environment and is a member of the recycling programme, just like many other major electrical appliance manufacturers in the UK.

Trade-in values will vary based on the condition, year and configuration of your eligible trade-in device. Not all devices are eligible for credit. You must be at least 18 years old to be eligible to trade in for credit or for an Apple Store Gift Card. Actual value awarded is based on receipt of a qualifying device matching the description provided when estimate was made. In-store trade-in requires presentation of a valid photo ID. Offer may not be available in all stores, and may vary between in-store and online trade-in. Desktop computer trade-in is currently only available online and some stores may have additional requirements. <h2 id="overview">Overview</h2>

You can apply for a Service Providers from Switzerland visa if you work for a company based in Switzerland and your employer needs you to work on a contract in the UK. The contract to carry out work in the UK must have been signed and started before 11pm on 31 December 2020.

If you are a Swiss national, you can also apply to the route as a self-employed service provider if you are based in Switzerland.

If you are employed, your employer can only send staff to the UK for 90 days per calendar year across all employees and contracts, including weekends and bank holidays. It is your employer’s responsibility to make sure you and any other staff who need to work in the UK do not collectively exceed the 90-day limit. If you are self-employed it is your responsibility.

<h2 id="who-can-apply">Who can apply</h2>

To apply to this route, you must provide evidence that you are:

employed by a company based in Switzerland (this applies to all nationalities) or
(if Swiss) self-employed and based in Switzerland
18 years of age or older

<h2 id="how-long-your-visa-will-last">How long your visa will last</h2>

Your visa will last for whichever period is shortest:

the end date of the contract to work in the UK
the end date of your work contract with your Swiss employer (if you are on a fixed-term contract)
the day before your right to live in Switzerland expires if you are a non-EEA citizen or a Croatian national
31 December 2025

If your visa expires and you still need to provide services in the UK, you can re-apply for another Swiss Service Providers visa if you meet the criteria. You cannot re-apply if the work contract itself has expired.

in the family, like your kids and older adults, can have an Apple Watch. Even those who don’t have their own iPhone yet. It’s all the connectivity, wellness and safety features you love, for everyone you love. Fun and independence for them. Peace of mind for you.

<h2 class="family-setup-modal-section-headline typography-eyebrow-super">Pairing is caring.</h2>
Family Setup lets you pair watches for your children and older family members to your iPhone. Everyone gets their own phone number, and you can manage each watch using the Apple Watch app on your iPhone.

<h2 class="family-setup-modal-section-headline typography-eyebrow-super">A great call<br class="large medium"> for kids.</h2>
With Family Setup, kids get to experience many of the capabilities of Apple Watch. They can stay in touch with the people you approve, by calling and texting. And have fun streaming music and downloading apps. You can also schedule Schooltime to limit Apple Watch features when they need to focus. Even the Activity rings have been rethought to better reflect how they exercise — tracking Move minutes instead of active calories. And with location sharing, you’ll get alerts when kids get home or aren’t where they’re expected to be.

<h2 class="family-setup-modal-section-headline typography-eyebrow-super">A smart call for
 older adults.</h2>

Apple Watch can open up a whole new world for older family members. They get the same connectivity benefits of Apple Watch, like calling, texting and location sharing to stay close to the family. And if they need it, they can make the text larger or bolded.

<h3 class="family-setup-modal-copy-block-headline typography-body-tight">Safety features.</h3>

Apple Watch comes with important safety features like Fall Detection, which can detect if your loved ones have taken a hard fall. If it senses they’re immobile, Emergency SOS will connect them with emergency services — even if they haven’t signed up for a cellular plan. They can also get help in an emergency — all over the world by simply pressing and holding the side button.

<h3 class="family-setup-modal-copy-block-headline typography-body-tight">Health features.</h3>
Apple Watch can alert family members if it detects unusually high or low heart rates, as well as measure their current heart rate. And all the Activity goals, including Stand hours and Exercise minutes, can be customised to a level that works for older family members.

There are no fees for your application under this route.

You do not need to pay the immigration health surcharge for this route.

<h2 id="what-you-can-and-cannot-do">What you can and cannot do</h2>

<h3 id="you-can">You can:</h3>

  provide services in the UK for up to 90 days each calendar year (you must only work on the relevant contract or contracts)
  enter and leave the UK multiple times during the visa period

<h3 id="you-cannot">You cannot:</h3>

  bring any family members with you (‘dependants’)
  work more than 90 days in a calendar year – you may have to work fewer if there is another employee also working on the same contract
  work for any reason other than that for your visa (including self-employment and voluntary work)
  study
  get public funds
  get medical treatment on the NHS (other than in an emergency)
  marry or form a civil partnership, or give notice of marriage or civil partnership
  live in the UK for extended periods of time or make the UK your main home
  extend your stay
  switch between visas whilst in the UK

<h2 id="documents-youll-need-to-apply">Documents you’ll need to apply</h2>

You will need to provide scanned copies of documents which show:

  proof of identity
  proof of your right to work in Switzerland
  proof of your employment (or self-employed) status
  that your employer is based in Switzerland
  that the contract you will be working on was signed before 11pm on 31 December 2020
  that work had begun on that contract before 11pm on 31 December 2020
  that you need to travel to the UK to work on the contract
  (if you are not an EEA or Swiss national) evidence you have been working legally in Switzerland for a minimum of 12 months before you apply to the route, such as payslips or a Swiss residence card.

<h3 id="proof-of-identity">Proof of identity</h3>

If you are a Swiss national, you must provide your passport or national identity card.

If you are any other nationality you must provide your passport.

<h3 id="your-right-to-work-in-switzerland">Your right to work in Switzerland</h3>

If you are a Swiss or EEA national (except Croatian nationals), you do not need to provide any evidence of your right to work in Switzerland, although if you have a Swiss residence card you may submit a scanned copy.

If you are a Croatian national, you need to submit a scanned copy of your Swiss residence card or work permit.

If you’re not an EEA or Swiss national, you need to submit a scanned copy of your Swiss residence card or work permit.

<h3 id="employment-or-self-employed-status">Employment or self-employed status</h3>

If you are employed on a permanent or fixed-term contract, you need to submit a scanned copy of that contract.

If you are a Swiss national and self-employed, you must provide evidence that you are registered as self-employed with the appropriate tax authority in Switzerland (such as a tax return or other form of formal correspondence with the tax authority).

If you’re not an EEA or Swiss national, you must show evidence that you have been working in Switzerland for a minimum of 12 months before you apply. Accepted forms of evidence include payslips or evidence of holding a Swiss residence permit for that period of time.

<h3 id="employers-presence-in-switzerland">Employer’s presence in Switzerland</h3>

Your employer must be based in Switzerland. You can show this using a scanned copy of any official correspondence between your employer and their canton.

<h3 id="signing-date-of-the-contract-to-carry-out-work-in-the-uk">Signing date of the contract to carry out work in the UK</h3>

You must provide a scanned copy of the contract that you intend to work on in the UK, which shows the date it was signed. This can also be an electronic copy.

<h3 id="evidence-that-work-on-the-contract-started-before-11pm-31-december-2020">Evidence that work on the contract started before 11pm 31 December 2020</h3>

You must show that you, or a co-worker, travelled to the UK at least once to work on the contract before 11pm on 31 December 2020, unless the work contract is clear that regular or frequent travel is not required.

The following are examples of evidence you can use as proof that work began before 11pm on 31 December 2020:

  receipts of travel or accommodation used while in the UK
  a Van der Elst visa or Swiss Posted Worker Certification held in the last 12 to 36 months (if it relates to the same contract in the UK)
  evidence that a co-worker has held or holds a Service Provider from Switzerland visa

Evidence will be reviewed on a case-by-case basis.

<h4 id="for-contracts-signed-on-or-before-1-march-2020">For contracts signed on or before 1 March 2020</h4>

You may not need to provide evidence that you or a co-worker travelled to the UK to work on a contract if your travel was cancelled due to coronavirus (COVID-19).

You should provide evidence if you were able to travel to the UK. You may also show evidence of cancelled travel tickets between Switzerland and the UK or bookings for accommodation in the UK during 2020.

Evidence is considered on a case-by-case basis.

<h4 id="for-contracts-signed-between-2-march-2020-and-31-december-2020">For contracts signed between 2 March 2020 and 31 December 2020</h4>

You do not have to provide evidence that you or a colleague physically travelled to the UK to start work on the contract before 31 December 2020.

You may submit evidence such as:

  proof of cancelled travel or accommodation bookings
  written agreement (including email) for the contract to be worked on remotely as an interim solution, or for the contract to be temporarily paused (not cancelled).

<h2 id="evidence-that-you-need-to-travel-to-the-uk">Evidence that you need to travel to the UK</h2>

If you’re employed by a company:

You need a signed letter from your employer, written by someone with authority to prove why you need to work in the UK. The letter can be electronic. The minimum level of acceptable seniority includes a senior manager, Head of Human Resources, or the most senior staff member with responsibility for human resources.

The letter must show:

  the letter writer’s title and role in the company
  a copy of the contract to work in the UK
  details of why you need to travel to the UK to work
  that you have the necessary qualifications to work on the contract
  that the company has not provided services in the UK for more than 90 days in the last calendar year

<h2 id="apply">Apply</h2>

You must apply online for a Service providers from Switzerland visa.

You'll need to have your fingerprints and photograph taken at a visa application centre as part of your application. Some visa application centres (VACs) charge for their services.

Find out how to get your visa decision faster - this depends on what country you're in. Check if your visa application centre offers faster decisions and other services.

<h2 id="after-you-apply">After you apply</h2>

You can withdraw your application by following the online guidance on how to cancel a visa, immigration or citizenship application.

If you need to change something in your application after you've sent it contact UK Visas and Immigration.

You can ask to withdraw your application by contacting UKVI.

<h2 id="after-you-get-a-decision">After you get a decision</h2>

If your application is successful, you will receive a vignette in your passport, or attached to a form (if you are a Swiss national who applied using your Swiss national identity card).
